

Wild Western Ireland & Scotland, the little-visited Faroe Islands, Iceland

AND the 2026 Total Solar Eclipse

August 8 – 22, 2026 – a 14-day cruise
Offered by Getaway Travel Specialists (CST #2150590-40)

Cruise with less than 100 passengers on a fabulous luxury ship from Dover, England to the Isle of Wight and Cornwall, then along Western Ireland (with the Cliffs of Mohr), the wild west coast of Scotland, up to the desolate Faroe Islands, finally ending your journey in Reykjavik, Iceland. And while cruising, view the 2026 solar eclipse from an area of relative seclusion. Reviews for sumptuous food and personalized service are extremely high, too.

This Solar Eclipse cruise is expected to sell out EXTREMELY fast. So, contact your Getaway Travel Specialist TODAY to reserve your cabin NOW.

Prices start at \$9,599 per person, based on double occupancy
(for 14-days!)

(Air, travel insurance and personal expenses not included.)

Note: Prices may increase or cabins may run out, so it's important to lock in your spot now.

No guarantees weather will allow for viewing of the eclipse.
